

2023 Wheat Harvest Policy

- Bushels can either be spotted across the scale or placed on a Deferred Price contract if there is not a to-arrive contract to apply to. Open Storage is not available.
- DP service charges are \$.0020 per bushel per day. Roughly \$.06 per month.
- Wheat will be subject to 2.5% shrink per % down to 13.5% moisture.
- 14% moisture max. Anything over 14% is subject to rejection.
- DP Contracts need to be priced by 06/13/2024. Those contracts not priced by 1:10pm will have the price set on the contract at the current posted bid.
- Normal Frontier Cooperative discounts to apply per load. There is no averaging loads.
- Any grain payments that are deferred to the following calendar year will be mailed to patrons on the first business day of the new calendar year.

Frontier will be accepting wheat at the following locations:
