2017 CORN HARVEST POLICY

			Days	90	120	180	240
2017 Harvest	DP	\$.13 for 90 days then .00145/day		0.130	0.174	0.261	0.348
	Storage	\$.13 for 90 days then .00165/day		0.130	0.180	0.279	0.378
*as comparison							
Frontier	DP	.00145/bu/day		0.131	0.174	0.261	0.348
"traditional"	Storage	.00165/bu/day		0.149	0.198	0.297	0.396

There is a minimum charge for all unpriced bushels that go on Delayed Price (DP) or Open Storage.

SOYBEANS have a 15¢ minimum for 90 days. After 90 days fees are charged /bu/day.

DP bushels after 90 days will have a daily fee of \$.00183/bu/day. (\$.15 + \$.00183/day)

Storage after 90 days will have a daily fee of \$.00192/bu/day. (\$.15 + \$.00192/day)

CORN has a 13¢ minimum for 90 days. After 90 days fees are charged /bu/day.

DP bushels after 90 days will have a daily fee of \$.00145/bu/day. (\$.13 + \$.00145/day)

Storage after 90 days will have a daily fee of \$.00165/bu/day. (\$.13 + \$.00165/day)

- All bushels that are priced / delivered against a purchase contract, have no minimum fees against them.
- All corn on a Delayed Price contract will be shrunk/dried to 15% moisture. Open Storage to 14% moisture.
- Storage / DP begin dates are based on the "average" delivery date.
- **If sold within 10 days of delivery, there are no minimum fees. There is no "dump charge"**
- All DP and/or in-store grain must be priced at the posted nearby bid, they can not be applied to a Forward Delivery Contract.
- All Delayed Price contracts have to be priced at the posted nearby bid by 09/15/2018.
